

OFFICIAL ELECTIVE COMPLETION LETTER

Date: 23 January 2026

Student Name: Denzhe Dzebu

Elective Specialisation: Systems Integration

Hi **Denzhe**,

Congratulations on reaching this pivotal stage of your WeThinkCode_ journey! We are pleased to formally recognise your successful completion of the specialised elective in **Systems Integration**.

You have demonstrated the dedication and technical proficiency required to master high-demand skills in today's tech landscape. Throughout this elective, you have focused on:

Understanding and implementing distributed systems architectures, focusing on inter-service communication and service-oriented design. You have focused on building resilient systems using Message Queue infrastructure, managing data consistency across networks, and implementing proactive error handling and automated panic alerts to ensure system reliability.

This milestone is a testament to your hard work and your commitment to excellence. As you transition from this specialised learning journey into the professional workforce, we are confident that the expertise you have built will serve as a powerful foundation for your career as a software developer.

We are excited to see the impact you will make in the industry and look forward to your continued growth.

Best regards,

Kelebogile Motlhamme
Director of Operations

Note to Student: This document serves as an official confirmation of elective completion, not your entire academic journey at WeThinkCode_. Please keep this for your records and professional portfolio.
